

Richmond Medium Wall Light Fluted Glass - Bronze

10428

Our Richmond wall light is a great addition to any garden. It's also ideal for either side of a bathroom mirror or as a bedside downlight.

This version is larger, but still perfectly proportioned. It has a greater presence when used on its own in high-ceilinged or bigger rooms.

The fluted glass shade allows for 360-degree lighting and creates a timeless feel.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
