

Richmond Medium Pendant Light - Bronze

18878

Our ceiling pendant light shares the same minimal look as our Richmond fixed and hanging wall lights.

The perfectly proportioned, simple pendant design is ideal for all manner of spaces and interior styles.

Group a few together (we'd suggest choosing an odd number, like three) over a kitchen island, dining table or in the hallway.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
