

Ealing Ground Spotlight 240V - Polished Nickel

14092

Our Ealing ground spotlight is designed to be directed upwards to illuminate trees, garden features or external walls from below.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from rustproof solid brass
- Fits a 50mm G10 bulb
- Suitable for outdoor use
- 200mm ground spike
- Match with any of our other polished nickel outdoor lights
- Dimensions: H140mm x W74mm x D140mm
- Rated IP56 – suitable for outdoor use
- Use with 50mm energy saving GU10 bulb fitting (like our Arthur or Chester), not included
- No driver required
- 3m of cable to make connection away from light
