

## Belmont Single Sash Window Fastener – Polished Nickel

14374

Our contemporary Belmont fastener is designed for use with timber sash windows.

It's an essential fixture that'll keep your window securely shut from the inside.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from solid brass
- Straight arm fastener
- Sold individually
- Dimensions: H17mm x D50mm (when closed) x W65mm
