

Double USB 30W & Schuko/Bipasso Module - Bronze Black

38604

We've engineered this socket to be as sleek as possible.

The bronze-finished front plate is just 1.5mm thick and sits flush to the wall. It attaches to the back plate using clips for a screwless look.

You can fast-charge up to two USB-C devices with this socket, which also includes a Schuko/Bipasso power socket.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights. The plastic insert around the socket itself has a low-sheen, slightly textured finish.

- Patented electrical system engineered to make our signature flush-fit design possible
- Solid brass plate
- Coordinates with our hardware and lighting
- Must be installed with our [double back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Dimensions: H80mm x W151mm x D43mm
- 100-240V~50Hz
- The plate sits 1.5mm from the wall
- Secured with spring clips to allow for a screwless finish
- Metal die-cast chassis
- USB PD output; 5V~3A, 9V~3A, 12V~2.5A, 20V~1.5A
