

Triple USB 30W & 4x Bipasso Module - Clear Black

36215

We've engineered this socket to be as sleek as possible.

We've made it from polycarbonate which is more flexible and durable than the usual acrylic.

We've also used black plastic with a low-sheen, slightly textured finish for the inserts.

You can fast-charge up to two USB-C devices with this socket, which also includes two Bipasso power sockets.

- Patented electrical system engineered to make our signature flush-fit design possible
- Works with paint or wallpaper
- Must be installed with our [triple back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Dimensions: H80mm x W222mm x D43mm
- 100-240V~50Hz
- Two Bipasso modules per 45mm aperture
- The plate sits 2mm from the wall
- Metal die-cast chassis
- USB PD output; 5V~3A, 9V~3A, 12V~2.5A, 20V~1.5A
