

Canning Covered Key Escutcheon - Polished Nickel

14334

The Canning Covered Escutcheon will fit well over any keyhole, while keeping out draughts.

It was made to seamlessly match the [Digby](#) and [Harper Mortice](#) door handles.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Comes with all screws and fittings
- Pair with coordinating door handles, locks and latches from the [Polished nickel collection](#)
- Dimensions: Length 44mm x Width 35mm x Depth 0.9mm.
- Supplied with 14mm slot head wood screws.
- Suitable for external and internal doors.
- Sold individually
