

Canning Key Escutcheon - Bronze

10622

Add a finishing touch to your doors with the Canning Key Escutcheon Plate, designed to match our [Digby](#) and [Harper Mortice](#) door handles.

It can simply be glued over the top of any normal euro-cylinder lock.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

Matching every part of your door has never been easier.

- 42mm x 6mm
- Pair with any other door furniture in our coordinating collections
- Match with coordinating door handles, latches and locks from the [Bronze collection](#)
- Sold individually
