

BT Slave Socket - Bronze Black

17635

Use this Slave Socket with the [BT Master](#) to connect to your landline from different rooms within your home.

All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Designed in-house
- Match with [spotlights](#), [door handles](#) and more from the bronze collection
- We recommend using a [35-47mm mounting box](#)
