

Switched Fused Spur (FCU) - Bronze Black

10146

Connect your washing machine, fridge, freezer, dishwasher or any other permanent appliances with this Switched Fused Spur.

It can be easily matched with all your other kitchen switches.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
