

Harper Double Pull Handle 500mm - Antique Brass

10318

Ideal for doors that don't need sprung latches to open and close, the Harper Double Pull door handles are a simple design.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.

- Double sided fixings for back-to-back installation
- Includes rubber washers for glass doors
- Made from solid brass
- Match with coordinating hinges, thumb turns, locks and doorstops from the [Antique Brass collection](#)
- Antique Brass takes 1-3 months to darken and mature. The product in this picture is one month old.
- Mounting Kit included for installation on solid doors.
- Please find information for installation on our [instructions page](#).
