

## Malvern Small Wall Light Alabaster White - Antique Brass

14633

Our scaled-down take on the traditional swan neck wall light is perfectly proportioned for slightly smaller spaces.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.

Create a contrasting modern look with the Alabaster White shade.
