

## USB A+C Fast Charge Socket - Bronze Black

14773

Fast charge your device with up to 30W with this USB Socket that sits neatly on any wall.

All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
