

Montpelier Door Stop - Bronze

17391

Fix the wall mounted Montpelier Door Stop to your skirting boards to protect your walls and doors.

The rubber head will quietly stop your doors from banging into surrounding furniture.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

Matching every part of your door has never been simpler.
