

Ealing Flush Spotlight - Bronze

18314

Our wall-mounted Ealing flush spotlight is designed to be directed downwards to illuminate garden paths, flowerbeds and the like.

This version has a larger base that allows the wire connections to be made inside, rather than running out the side of the light.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from rustproof solid brass
- Fits a 50mm GU10 bulb
- Suitable for outdoor use
- Rotates 300° and tilts 50°
- Match with any of our other bronze outdoor lights
- Dimensions: H140mm x W74mm x D140mm; mounting rose dia. 98mm
- Rated IP44 – suitable for outdoor use
- Use with 50mm energy saving GU10 bulb fitting (like our Arthur or Chester), not included
- No driver required
- Connections must be made inside the base. Wires cannot run out of the side of the light.
- Comes with WAGO connectors for quick and easy wiring and testing
