

Ealing Ground Spotlight - Antique Brass

14623

Our Ealing ground spotlight is designed to be directed upwards to illuminate trees, garden features or external walls from below.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.

- Made from rustproof solid brass
- Fits a 50mm GU10 bulb
- Suitable for outdoor use
- 200mm ground spike
- Match with any of our other antique brass outdoor lights
- Dimensions: H140mm x W74mm x D140mm
- Rated IP56 – suitable for outdoor use
- Use with 50mm energy saving GU10 bulb fitting (like our Arthur or Chester), not included
- No driver required
- 3m of cable to make connection away from light
