

Ealing Ground Spotlight - Bronze

12443

Our Ealing ground spotlight is designed to be directed upwards to illuminate trees, garden features or external walls from below.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from rustproof solid brass
- Fits a 50mm GU10 bulb
- Suitable for outdoor use
- 200mm ground spike
- Match with any of our other bronze outdoor lights
- Dimensions: H140mm x W74mm x D140mm
- Rated IP56 – suitable for outdoor use
- Use with 50mm energy saving GU10 bulb fitting (like our Arthur or Chester), not included
- No driver required
- 3m of cable to make connection away from light
