

Ealing Surface Spotlight - Polished Nickel

14575

Our wall-mounted Ealing surface spotlight is designed to be directed downwards to illuminate garden paths, flowerbeds and the like.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from rustproof solid brass
- Fits a 50mm GU10 bulb
- Suitable for outdoor use
- Rotates 300° and tilts 50°
- Match with any of our other polished nickel outdoor lights
- Dimensions: H140mm x W74mm x D160mm; mounting rose dia. 52mm
- Rated IP56 – suitable for outdoor use
- Use with 50mm energy saving GU10 bulb fitting (like our Arthur or Chester), not included
- No driver required
- 3m of cable to make connection away from light. Wires can run out of the side of the light and down the wall, or a hole can be made in the wall.
