

Malvern Medium Wall Light Alabaster White - Antique Brass

17954

Our medium-sized take on the traditional swan neck wall light is scaled up, but still perfectly proportioned. It'll have a greater presence in bigger or high-ceilinged rooms.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.

The Alabaster White shade will create a timeless contrasting look.
