

## 1G Switch Plate - Bronze

10392

Corston custom switch plates gives you the freedom to customise your switches to your desired specification.

1G Toggle / Dimmer Custom Switch Plate, Bronze, comes in the following options:

- 1 x Toggle
- 1 x Dimmer

Once you have selected the correct plate, please continue to the components page and select appropriate switches.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- 1.5mm Solid brass front plate
- Metal die-cast back plate to hold switch modules together
- Dimensions; h86mm x w86mm x d40mm.

**Please note when selecting a dimmer you must select dimmer module bronze for metal plate**
