

## 1G Architrave Retractive Toggle Switch - Clear Bronze

11681

The newest addition to our Clear Collection, this Retractive Clear Bronze Architrave Toggle Switch is just 40mm-wide to suit small spaces and tight corners.

Fixed on clear polycarbonate, the single dolly-style toggle switch is unobtrusive yet stylish. With a pleasant click and solid brass components, it comes with a paper template that can be painted or wallpapered to blend in perfectly.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from 100% solid brass with a smoothly rounded, flush-fit faceplate
- The Bronze toggle will smoothly coordinate with all Bronze fittings from Corston
- Architrave Switch sits quietly on your walls for a sophisticated scheme
- We recommend a 35mm mounting box. You can purchase the Corston mounting box [here](#)
- Dimensions: H86mm x W40mm x D42mm. Toggle length is 17mm
- Switches rated to 20A
- 230-250V~50Hz
- Complies with BS EN 60669-1
- The switch plate sits 1.5mm from the wall
- Secured with a metal ring without visible tool marks
- Metal die-cast chassis
