

**2G Slimline Switch Plate - Bronze**

16625

This premium Slimline switch allows you to customise your switch for an elegant and modern design. The Corston slimline plate sits portrait at 70mm wide, offering discreet style compared to the industry standard square plate.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

2G Toggle / Dimmer Custom Switch Plate, Bronze comes in the following options:

- 1 x Toggle & 1 x Dimmer
