

Onslow Unsprung Door Knob - Antique Brass

11092

Our flat-fronted Onslow door knob is a contemporary alternative to our beehive design.

This version is unsprung, which means you can use it with an existing sprung latch. To make sure it stays easy to turn, we'd recommend using a lightly sprung latch.

There's also no danger of the knob coming away in your hand – the spindle is threaded onto the handle which holds it in place.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.
