

Richmond Small Wall Light Fine Porcelain - Antique Brass

17967

Our Richmond Wall Light is made to be compact and minimalistic.

It's ideal for either side of a bathroom mirror or as a reading light.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box. Pair it with the Fine Porcelain shade for a classic look
