

Richmond Small Wall Light Fluted Glass - Polished Nickel

11809

Our Richmond Wall Light is a great addition to any garden. It's also ideal for either side of a bathroom mirror or as a reading light.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes. The Fluted Glass shade allows for 360 degree lighting and creates a timeless feel.
