

Richmond Small Hanging Wall Light Fine Porcelain - Antique Brass

13510

The minimalistic Richmond hanging light is ideal for modern and traditional interiors. It'll look great on its own, or on either side of your bed.

The fine porcelain shade provides a warm, atmospheric glow with absolutely no glare.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.
