

## Claremont Small Hanging Wall Light Fluted Glass - Polished Nickel

11444

This hanging version of our Claremont fixed wall light is a modern take on a classic design. It'll look great on its own, or have one either side of your bed or dresser mirror.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes, while the Fluted Glass shade allows for 360 degree lighting.
