

60mm Strong Latch - Bronze

15712

Our strong latch will keep your door tightly closed. It's engineered with strong springs, so it's ideal for use with unsprung lever door handles.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Bronze-finished face plate and strike plate made from solid brass
