

Richmond Medium Pendant Light Fine Porcelain - Polished Nickel

17059

Our ceiling pendant light shares the same minimal look as our Richmond fixed and hanging wall lights.

The perfectly proportioned, simple pendant design is ideal for all manner of spaces and interior styles.

Group a few together (we'd suggest choosing an odd number, like three) over a kitchen island, dining table or in the hallway.

The fine porcelain shade provides a warm, atmospheric glow with absolutely no glare.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.
