

Richmond Medium Pendant Light Fluted Glass - Antique Brass

19643

Our ceiling pendant light shares the same minimal look as our Richmond fixed and hanging wall lights.

The perfectly proportioned, simple pendant design is ideal for all manner of spaces and interior styles.

Group a few together (we'd suggest choosing an odd number, like three) over a kitchen island, dining table or in the hallway.

The fluted glass shade allows for 360-degree diffused lighting.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.
