

## Baylis Small Double Spotlight (35mm) - Polished Nickel

11739

The Baylis Small Double Spotlight sits neatly with a small rose and discreetly set screws.

Its smooth ball joint rotates 320° and tilts 180° to light up specific areas of a room.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Fits two 35mm bulbs
- Also available in [50mm](#)
- Match with any of our polished nickel switches and sockets
- Dimensions: Shades, L88mm x Dia. 42mm each; mounting rose, L230mm x W50mm
