

Double Module Brush Plate - Polished Nickel Black

18096

Use this Double Brush Plate Module to allow cables to exit a mounting box neatly. It's ideal for non-standard cables and unusual connection types. All hardware is machined from solid brass which gives a superb level of detail and weight. Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes. Choose sockets with black inserts for a contrasting look that goes well with black appliances and other dark tones.

- Made from solid brass
- Designed in-house
- Match with [spotlights](#), [door handles](#) and more from the polished nickel collection
- We recommend using a [35-47mm back box](#) with this switch
- Dimensions; H86mm x W146mm x D27mm
