

TV Aerial + HDMI + CAT6 Socket - Bronze Black

14958

This switch groups up your HDMI and CAT6 with two satellite connections and a TV and FM aerial.

The Cat 6 outlet lets you connect an Ethernet cable for fast internet speeds. Then connect your audio visual systems via the HDMI outlet while keeping cable clutter to a minimum.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Designed in-house
- Match with [spotlights](#), [door handles](#) and more from the Bronze collection
- We recommend using a [35-47mm back box](#)
- Dimensions; H86mm x W146mm x D36mm
- Cat6 Rj45 Ethernet outlet.
- Female to female HDMI with 100mm flex
- IDC terminations for the CAT6 module
