

## 2G Blank Plate - Polished Nickel

19953

During most projects there'll be a time when a junction box is needed. Using the 2G Corston blank plate means you can continue to coordinate your chosen finish throughout your home. All hardware is machined from solid brass which gives a superb level of detail and weight. Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from solid brass
- Designed in-house
- Match with [spotlights](#), [door handles](#) and more from the polished nickel collection
- We recommend using a [35-47mm mounting box](#)
- Dimensions; H86mm x W146mm x D9.5mm
- Die Cast Metal Chassis
