

**Kilburn Furniture Handle 384mm - Bronze**

18186

This simple design looks great on all kitchen cabinets and drawers.

The slimline back plate is discreet but will still protect your furniture from finger marks or scratches.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

Match with the [Kilburn Furniture Knob](#) on smaller cabinets for a coordinated look.
