

2x CAT6 Socket - Bronze Black

16750

Connect two Ethernet cables through this double CAT6 Socket for fast internet speeds.

All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Designed in-house
- Match with [spotlights](#), [door handles](#) and more from the Bronze collection
- We recommend using a [35-47mm back box](#)
- Dimensions; H86mm x W86mm x D20mm
- Die-cast metal module chassis
