

## Fan Isolator Switch - Bronze Black

18188

>This Fan Isolator Switch has been designed for kitchen and bathrooms, and will isolate units with a constant live supply.

All our plates are machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
