

BT Master Socket - Bronze Black

10184

Connect your landline via our BT Master Socket. Use with the [BT Slave Socket](#) to connect other phones around your home.

All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
