

Two Way Toggle Switch - Polished Nickel

15050

Two-way toggle switches can be installed as 1-way or 2-way operation.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Patented switch mechanism engineered to give a solid, satisfying click
- Tested to one million cycles to guarantee longevity
- Rated to 20A
- 20AX 250V
- Complies with BSEN60669-1
