

## TV Outlet Socket - Bronze Black

14084

This TV Outlet Socket lets you connect your Coaxial cable which is often used for TV connections.

All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
