

Claremont Small Wall Light Fine Porcelain - Bronze

10653

The streamlined silhouette of Claremont looks great in both classic and contemporary homes. Use on either side of a bathroom mirror, or to illuminate artwork or architectural features.

The fine porcelain shade provides a warm, atmospheric glow with absolutely no glare.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
