

Southbank Casement Window Stay 275mm - Polished Nickel

18504

We've designed our Southbank window stay for use with timber casement windows.

It's an essential fixture that'll hold an open window in place and keep a closed one securely shut from the inside.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from solid brass
- Groove detail on the underside for ease of use
- Reeded end cap detail
- Sold individually
- Dimensions: L275mm x H24mm; bar width 10mm
