

Double Module Brush Plate - Bronze Black

16497

Use this Double Brush Plate Module to allow cables to exit a mounting box neatly. It's ideal for non-standard cables and unusual connection types. All hardware is machined from solid brass which gives a superb level of detail and weight.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
