

Triple 3x French Power Module Round - Clear Black

30284

This triple 3x French socket is just 2mm thick, so it really is pretty invisible on the wall.

We've made it from polycarbonate which is more flexible and durable than the usual acrylic

We've also used black plastic with a low-sheen, slightly textured finish for the inserts.

- Patented electrical system engineered to make our signature flush-fit design possible
- Works with paint or wallpaper
- Must be installed with our [triple back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- H80mm x W222mm x D43mm
- The plate sits 1.5mm from the wall
- Metal die-cast chassis
- Sockets rated to 16A
- 230-250V~50Hz
