

Single Module Plate Round EU - Bronze

33560

Using our components, you can create any combination of switches or sockets that you need.

This single module plate works with any of our round socket modules (just make sure you choose the ones made with black plastic).

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass (rather than plastic wrapped in metal) for crisp edges
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our [single back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Must be installed with our single back box
