

### Triple Module Plate Round EU - Clear White

35868

Using our components, you can create any combination of switches or sockets that you need.

This clear triple module plate works with any three of our round socket modules (just make sure you choose the ones made with white plastic).

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from polycarbonate, which is more flexible and durable than the usual acrylic
- Can be fitted horizontally or vertically
- Ultra-slim 2mm, flush-fit plate
- Must be installed with our [triple back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Must be installed with our triple back box
