

## Double 45mm Switch Plate EU – Paintable

34032

Using our components, you can create any combination of switches or sockets that you need.

This paintable double 45mm plate works with any of our rocker switches or our 45mm socket modules.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass
- Etch primer allows paint to adhere well for a seamless custom finish
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our double back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Finished in etch primer
- Can be fitted horizontally or vertically
