

**Double 2x Keystone Switch Plate EU – Paintable**

33791

Using our components, you can create any combination of sockets that you need.

This paintable double 2x plate works with any two of our 20mm keystone modules.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass
- Etch primer allows paint to adhere well for a seamless custom finish
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our double back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Finished in etch primer
- Can be fitted horizontally or vertically
