

Double 1x Keystone & 1x 45mm Switch Plate EU – Paintable

31279

Using our components, you can create any combination of switches and sockets that you need.

This paintable double plate works with one 20mm keystone module and one 45mm socket or rocker switch module.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass
- Etch primer allows paint to adhere well for a seamless custom finish
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our double back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Finished in etch primer
- Can be fitted horizontally or vertically
