

Triple 1x Keystone & 2x Module Plate Round EU – Paintable

31899

Using our components, you can create any combination of sockets that you need.

This paintable triple 1x keystone and 2x module plate works with one 20mm keystone module and two round socket modules.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass
- Etch primer allows paint to adhere well for a seamless custom finish
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our triple back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Finished in etch primer
- Can be fitted horizontally or vertically
